Summer Camp Technology Policy

Campers are not allowed to use or have cell phones, Ipods, mp3 devices, or headphones at summer camp.

MYFGA prides itself on delivering a Summer Camp which promotes being outside and enjoying outdoor activities. We also promote campers being social and present during camp hours. Camp Staff work to maximize the camper's fun at camp and can do so easier without the barrier of technology.

The camp directors will have their phones on their person during the duration of camp. If you feel the need to contact your child during camp hours, the directors can be reached as follows:

Jim Winslow; Camp Director: 802-345-6887

Laura Kamorski; Asst. Camp Director: 207-460-7615

Matt Redding; Summer Camp Committee Chair; 207-852-0528

If you feel that your child needs one of these pieces of technology on them at camp, please reach out to Jim Winslow prior to camp to arrange a plan to be followed during Summer Camp.

If a camper violates this policy, Camp Staff reserve the right to take the piece of technology and return to the parent/guardian at the end of the camp day.

Thank you for your cooperation and understanding in this important policy.
